

Le Aziende Associate al Distretto Green&HighTech MB

The Distretto Member Companies

October 2018

➤ **Advantest – Vimercate (MB)**

- Semiconductor Testing Equipments

www.advantest.com

➤ **C-TEC srl – Villasanta (MB)**

- Materials and systems for semicon companies

• www.c-tec.it

➤ **MICROTEST - Altopascio (LU)**

- ATE equipments manufacturing, Microelectronic design house, Application board turn-key solutions

• www.microtest.net

➤ **Kenosistec - Binasco (MI)**

- Equipments for thin film deposition systems

• www.kenosistec.com

➤ **S.P.M. - Ornago (MB)**

- Semi & PV Equipments
- www.spm-semiconductor.it

➤ **Synergie Cad Instruments – Chiari (BS)**

- Electronic custom engineering
- www.synergie-cad-instruments.it

➤ **Technoprobe – Cernusco Lombardone (LC)**

- Probe cards development & manufacturing
- www.technoprobe.com

➤ **TFE – Thin Film Equipment – Binasco (MB)**

- High technology equipment for semiconductor and related industries
- www.tfe-thinfilmequipment.com

➤ **Azcom Technology – Milano (MI)**

- IC Design House; Electronic Boards design & development
- www.azcom.it

➤ **Cover Sistemi – Serle (BS)**

- Technological Innovation Systems; IC design; RF and MW systems design; Optoelectronics
- www.coversistemi.com

➤ **E-LYSIS – Concorezzo (MB)**

- Electronic systems design, from HW and FPGA development to embedded SW
- www.e-lysis.com

➤ **I2Make – Rivanazzano Terme (PV)**

- IoT systems, Smart Object Design and Marketing
- www.i2make.it

- **Lider Elettronica – Vimercate (MB)**
 - Design and manufacturing of industrial mini PC
 - www.lider.it
- **Mechatronics Labs – Ornago (MB)**
 - Micro-mechanical and electronics integrated control systems
 - www.mechatroniclabs.it
- **Newronika s.r.l. – Cologno Monzese (MI)**
 - Design and development of clinical, biomedical and nano- technological systems for neurosciences
 - www.newronika.com
- **Newtron Technologies s.r.l. – Cornaredo (MI)**
 - Audio, Video and Graphic systems design, manufacturing and maintenance
 - www.newtron-technologies.it

➤ **Oculox Technologys S.a.g.l. – Manno (CH)**

- Smart biomedical integrated systems for oftalmology applications
- www.ehsam.eu

➤ **PRAEL srl Practical Electronics – Brugherio (MB)**

- HW/SW Electronic systems design
- www.prael.eu

➤ **Rush Up – Gazzaniga (BG)**

- Electronic systems and Product accelerator in IoT applications .
Innovation through design
www.rushup.tech

➤ **SEM Communication and GEST Labs – Vimercate (MB)**

- Design and manufacturing services of telecommunication systems
Laboratory Materials and Services for Electronic Industry, Products
and Materials Analysis; Production Processes; QUESTIO (Reg. Lomb.)
Certified
- www.semtechnologies.it

➤ **SEGULA Technologies Italia – Milano (MI)**

- Electronic/mechanical and sw Design, Development and Production services www.segula.it/it

➤ **Crosspoint S.r.l. – Desio (MB)**

- Custom Human-Machine-Interface Technologies, Electronic components
- www.crosspoint.it

➤ **ELETECH Srl Innovation in Electronics – Lomagna (LC)**

- Electronic equipments, Components, Boards design, engineering and production
- www.eletechsrl.it

➤ **ELEXES s.r.l. – Zanica (BG)**

- Electronic systems design, test and manufacturing
- www.elexes.it

➤ **FAE Technology / FAE++ – Gazzaniga (BG)**

- Electronic systems and Product accelerator in IoT applications .
Innovation through design
- www.faeplusplus.com

➤ **BriTec s.r.l. – Cogliate (MB)**

- Industrial electronics, customized products development, standard certified products up to date in technology

- www.britec.it

➤ **CFC Electronics – Agrate Brianza (MB)**

- Design and development of components for the electronic industry; commercial agent in the segment of electronic components with high technological contents.

- www.cfcele.com

➤ **Itacoil – Caponago (MB)**

- PCB inductive components; Development and Production

- www.itacoilweb.it

➤ **Ribes Tech s.r.l. – Milano**

- Flexible photovoltaic processes and components. Printed nanotechnology.

- www.ribestech.it

➤ **STMicroelectronics Italia - Agrate B.za (MB)**

- Semiconductors
- www.st.com

➤ **TRUSTECH – Chivasso (TO)**

- MEMS and Lab on Chip electronic devices; Technology and Engineering R&D
- www.trustech.it

➤ **XNEXT srl – Milano (MI)**

- Advanced Inspection Technology; Design, development & manufacturing of Quality & Safety Xray multispectral systems for real time quality control
- www.x-next.com

➤ **BMS Impianti – Verderio Sup. (LC)**

- System integrator (TLC, data communication infrastructures, Renewable Energies) SI
- www.bmsrl.it

➤ **KALPA srl – Sesto San Giovanni (MI)**

- IoT, Industry4.0; Hardware & Firmawe, Software & Mobile, Cloud & Web
- www.kalpa.it

➤ **Key People srl – Cernusco S/N (MI)**

- ICT solutions and services; Big Data and IoT applications for Smart Cities
- www.kpgroup.it

➤ **Info Solution S.p.A. – Vimodrone (MI)**

- Consulting services for production of highly technological projects and IoT systems in aerospace, defence, industrial, health application areas
- www.infosolution.it

➤ **INSPIRING SOFTWARE srl – Bussero (MI)**

- Software solutions for Asset, Energy Management and IoT SI
- www.inspiringsoftware.com

➤ **Project Automation S.p.A. – Monza (MB)**

- System Engineering; Integrated systems of environmental monitoring and transports
- www.p-a.it

➤ **YoDiWo – Patrasso (Grecia)**

- IoT platform and services provider. From sensors to visualization through analytics
- www.yodiwo.com

➤ **Briantel – Merate (LC)**

- TLC infrastructure and service
- www.briantel.com

➤ **Cisco Systems Italia – Vimercate (MB)**

- TLC systems
- www.cisco.com/web/IT

➤ **Nettrotter – Lissone (MB)**

- Connectivity and IoT System Engineering; Sigfox Operator
- www.nettrotter.io

➤ **MIX srl – Milano (MI)**

- Internet Exchange, IP and ISP Interconnection services
- www.mix-it.net

➤ **Telecity Group / Equinix – Basiglio (MI)**

- Data Center and IT outsourcing
- www.telecitygroup.it

➤ ARGONET – Milano (MI)

- Design and mngmt. high complexity web portals; integrated digital comm.
- www.argonet.it

➤ BRAND039 – Vimercate (MB)

- Multimedia Agency; Digital Communications and ICT solutions and services
- www.brand039.com

➤ Copying srl – Sartorie Digitali – Caronno Pertusella (VA)

- E-documentation, Dematerialization, ICT doc management solutions, Digital transformation ad-hoc training
- www.copying.it ; www.sartoriedigitali.it

➤ DigimediaCom – Lugano (CH), Milano (MI)

- High performance video technologies, smart videosurveillance, unmanned vehicles
- www.dgmediacom.ch

- **Creare Valore / Primi Sui Motori – Milano (MI)**
 - Business Intelligence, Web Marketing Services, SEO
 - www.crearevalore.it , www.primisuimotori.it
- **MateriaViva – Lecco (LC)**
 - Integrated Digital Communication; Event App development
 - www.materiaviva.eu
- **Security HELP-IT S.p.s. (MI)**
 - Cybersecurity and solutions providers in digital communication media
 - www.securityhelpit.com

➤ **b.digital – Monza (MB)**

- Industrial IoT, Cognitive AI , ICT solution provider; System integration;
- www.b-digital.it

➤ **Blueit – Monza (MB)**

- ICT Strategic Sourcing
- www.blueit.it

➤ **Ventre Consulting – Monza (MB)**

- Software and Processes to support and sustain business
- www.goapp.it

SW app

➤ **X-View – Monza (MB)**

- Business intelligence and Analytic Biz management applications
- www.xview.it

SW big data

➤ **ART-GLASS srl – Monza (MB)**

- Augmented reality systems; cultural heritage systems and services
- www.art-glass.it

➤ **ATENA – Cernusco sul Naviglio (MI)**

- Software application development Finance and Investment areas, ERP, Project Financing
- www.atenait.it

➤ **CEGEKA – Cologno M.se (MI)**

- ICT Service provider, SW solutions, Biz Intelligence
- www.cegeka.it

➤ **CheckMe LTD – Londra (UK)**

- Monitoring solutions via NFC systems; Factory 4.0
- www.ch-eck.me/it/en/home-english

➤ **Digitalia Informatica Italiana - Milano**

- Multidisciplinary SW applications development for IoT
- www.informaticaitaliana.eu

➤ **DigiUnit Srl– Grumello del Monte (BG)**

- S/w development and IT solutions and services
- www.digiunit.it

➤ **DMS Multimedia – Sulbiate (MB)**

- S/w development dedicated to interactive learning and training
- www.dmsware.com

➤ **FOCUS Informatica – Lissone (MB)**

- S/w services development; EH&S dedicated sw suites; mobile,web,cloud app.
- www.focusinformatica.com

➤ **Kridea srl – Vimercate (MB)**

- SW development in pharma and healthcare domain, industrial automation
- www.kridea.com

➤ **Lifelike s.a. – Chiasso (CH)**

- S/w development dedicated to interactive learning and training
- www.lifelikeinteraction.com

➤ **Mixel – Lissone (MB)**

- S/w Development for Mobile Applications, Health
- www.mixelweb.it

SW development, Mediaclinics

➤ **Mobyplanner s.r.l. – Sulbiate (MB)**

- Applications development and technology solutions in Smart Mobility area (People and Goods)
- www.mobyplanner.com

➤ **PROMO.it – Merate (LC)**

- Applications development in Internet domain. Network and network services development and management

- www.promo.it

➤ **SAP Italia - Vimercate (MB)**

- Software platform solutions for business and business innovation processes

- <http://www.sap.com/italy>

➤ **Starsolutions – Monza (MB)**

- Design, development and maintenance of High Tech SW and ICT Vertical Solutions, mobile apps, web site design

- www.starsolutions.it

➤ **Voome – Milano (MB)**

- “Out-of-home” videocommunication systems

- www.voome.it

Digital signage (SW)

➤ **eFuture s.r.l. – Lissone (MB)**

- ICT services and solutions; Network management and maintenance
- www.efuture.it

➤ **A.C.E. Srl – Ecolibri – Agrate B.za (MB)**

- Wiring harnesses for industrial, electronic, civil app. Wind energy generators
- www.acecablaggi.com; www.ecolibri.it

➤ **BrianzAcque – Monza (MB)**

- Complete water value chain management in Monza Brianza territory
- www.brianzacque.it

➤ **CAIMI Brevetti – Nova Milanese (MB)**

- Leading manufacturers of design orientated furniture and accessories for office and contract furniture market.
- www.caimi.com

➤ **Consorzio COMUNITA' BRIANZA – Monza (MB)**

- Social enterprise for Projects and Services in the Education, Cooperation and Health areas
- www.comunitabrianza.it

➤ **EMME s.r.l. FULGEO – Concorezzo (MB)**

- Audit and Certification processes; experience industry and e-marketing
- www.myemme.it

➤ **Energy Saving – Monza (MB)**

- Energy management services
- www.energysaving.it

➤ **ENERQOS Energy Solutions S.r.l. – Milano (MI)**

- ESCO – Certified Energy Service Company
- www.enerqos.com

➤ **ESG Equipments S.r.l.s. – Novara (NO)**

- Quality control and certification of products, processes, systems and machinery
- <https://www.ingcrepaldi.com/esg-equipment.html>

➤ **Genport – Vimercate (MB)**

- light weight electric generators development; clean electric energy portable equipment
- www.genport.it

➤ **HOVAL – Zanica (BG)**

- Heating and Climate high technology solutions
- www.hoval.it

➤ **KSB - Concorezzo (MB)**

- Pumping systems dedicated to semi, oil&gas, waste treatment plants
- www.ksb.it

➤ **MateriAcustica srl – Ferrara**

- Research and Engineering in acoustic and Vibrations
- www.materiacustica.it

- **MGB – Magazzini Generali della Brianza – Concorezzo (MB)**
 - Specific and Integrated logistic solutions for SMEs
 - www.magazzinibrianza.it

- **Namiki Precision SA – Lausanne (CH)**
 - Hard materials growth and micro-processing, micro-motors, energy harvesting
 - www.namiki.net

- **RAVASI S.r.l. – Monza (MB)**
 - Mechatronics sub-systems; design and production of mail boxes and letters boxes for private and public buildings
 - www.silvanoravasi.it

- **REALTOINTERMEDIA – Vimercate (MB)**
 - Insurance Brokers, Stakeholders European Brokers
 - www.realtointermedia.it

➤ Ribes Tech s.r.l. – Milano

- Flexible photovoltaic processes and components. Printed nanotechnology.
- www.ribestech.it

➤ SOL – Monza (MB)

- Technical gases
- www.sol.it

➤ SOITAAB Impianti Srl – Concorezzo (MB)

- Metal cutting solutions and manufacturing equipments
- www.soitaab.com

➤ STUCCHI&Co Srl – BikeWays – Sulbiate (MB)

- Sustainable mobility; Bike services
- www.stucchieco.com: www.lombardy-by-bike.squarespace.com

➤ **TECHINNOVA S.r.l. – Milano (MI)**

- Biotech and ICT Company Services, Funded Programs, Open Innovation
- www.techinnova.it

➤ **Velp Scientifica – Usmate Velate (MB)**

- Design, development & manufacturing of analytical instrumentation
- www.velp.com

➤ **VESTA – Ornago (MB)**

- Progettazione e realizzazione impianti PV residenziali/PMI; Due diligences; Sviluppo prodotti HW/SW per controllo, gestione e manutenzione impianti PV
- www.vesta-energie.com
